COMPANY PROFILE

Ali Iskandar Al-Ansari & Sons Company

Ali Iskandar Al Ansari & Sons Co. is one of the leading trading group of companies in Qatar. Established on 1963, it has incessantly maintained its expansion through years by providing specialized services and products dedicated to its customer's best interest and full satisfaction. AIAS group comprises of Qatar Industrial Foam and Furnishing Company, Cachet Exclusive Living and Venue Décor.

Furniture, furnishing items, home fixtures and Interior decoration are the major segment of our group and we are one of the leading professional and specialized dealers in the field of furniture and decoration. A special unit dedicated to carrying a whole range of luxury furniture and decorative pieces. The unit initially served as a retail hub for items made by our own craftsmen. The business was quickly able to secure a reputation as one of the country's foremost manufacturers of high quality custom-made furniture. All of our products are recognized for their distinctive quality, owing to the meticulous manufacturing procedures that their makers apply at every stage of production.

The company's growth is continuously on the way up due to the increasing demands of the market, and the reputation it enjoys continuously offer the company with ample scope for development. To sustain its rising number of projects and clients, the company is now very active in getting more people, professionals in their field, qualified & skilled, to join its team as it believes in the necessity of personal involvement in all the projects it undertakes in order to continue to provide excellent service and products to all its customers

VISION

We listen to our customers and developing a strong and cooperative relationship with them
